TDD: 763-478-4030

## **Franklin Avenue (County Road 5) 2011 Mill & Paving Overlay Maintenance Project**

### ***Scope***

- Three segments will be paved:
  - 1) Mississippi River Bridge to just west of 30<sup>th</sup> Avenue
  - 2) 28<sup>th</sup> Avenue to 21<sup>st</sup> Avenue
  - 3) 16<sup>th</sup> Avenue to Lyndale Avenue
- Segment near Riverside Avenue (30<sup>th</sup> to 28<sup>th</sup> Avenues) will be coordinated with the City's Riverside Reconstruction project July - September

### ***Schedule***

- For Segments 1 and 2:           Pavement milling starts June 14<sup>th</sup>  
  Overlay paving anticipated to begin June 22
- For Segment 3:                 Pavement milling starts May 24<sup>th</sup>  
  Overlay paving anticipated to begin June 1

### ***Features***

- Striping in Segment 1 may be accomplished as part of the City's NTP bikeway project (otherwise county will stripe consistent with the NTP plan in conjunction with the paving).
- Striping in Segment 2 will be consistent with Seward Pedestrian Safety NTP project layout, and completed in conjunction with the paving.
- Striping in Segment 3 will be replaced as it is currently configured.
- Bikeway striping on 26<sup>th</sup> Avenue (Midtown Greenway to Franklin Avenue) is anticipated to occur at the same time as Franklin Avenue work.
